Invitation to the Tourism Sector Human Resource Development Governance and Institutional Coordination Workshop

Dear Delegate

The Department of Tourism invites you to participate in the Tourism Sector Human Resource Development (TSHRD) Governance and Institutional Coordination Workshop, to be held on the **26 June 2018 at Kopanong Hotel and Conference Centre.**

The purpose of the workshop is to rally tourism stakeholders behind the formation of the National Tourism Education and Training Structure that will champion and coordinate the implementation of the Tourism Sector Human Resource Development Strategy.

The objectives of the Workshop are to:

- Present TSHRD Strategy with some deeper engagement for better understanding of provisions for implementation affecting all stakeholders.
- Reflect on creating the functioning mechanisms or platforms to foster engagement between the industry, training institutions and government on education, training and skills development issues.
- Explore strategic collaboration and partnerships between TSHRD role-players at all levels in order to address specific issues, i.e. curriculum development, standards, learning pathways, articulation, professionalization and recognition of prior learning (RPL), amongst others.
- Propose formalisation of a governance and institutional coordination framework that would facilitate a cohesive, demand led and common goal oriented TSHRD Strategy Implementation and Monitoring & Evaluation approach in the sector.

A Workshop programme will be available at a later stage.
